

Looking for new ways to raise more money?

Leaderboard can help you reach your goal!

We will give you the tools to sell additional sponsorships that would otherwise not be possible if Leaderboard were not involved.

When we are at your event, you should be able sell these additional sponsorships:

LeaderBoard Sponsor

Many of our clients have sold this sponsorship for \$3000-\$4000. This sponsorship usually includes the exclusive rights to the scoring sponsorship, raffle sponsorship, and the LeaderBoard sponsorship.

Scoring Sponsor

Typically sells for \$1000-\$1500

Raffle Sponsor

Typically sells for \$1000

Trivia Sponsor

If your hole sponsors currently pay \$250/hole then this sponsorship typically sells for \$2500-\$3000

By having LeaderBoard at your event you will be able to raise a significant amount of “new” money for your cause.
